Hi **Todos**, i got the SharePoint for all the templates available GD Standards Library Templates. We should use the process templates I believe for instance: GD Standards Library Process Template.docx

GD-Templates.aspx
gdstandards > GD-Templates.aspx

Thanks for sharing this, Filipiak, Lukasz!

Everyone, please take a look at these templates. Do we all agree to move forward with using them?

Hi Staniewicz, Julia,
Could you give access to the following link for Rakesh.M.k@fujitsu.com san?
He is going to do machine translation for FJ Activate 3.0 materials, which my colleague is going to upload to FJ Activate v3.
